

**NEW ENHANCING CLEANING & SANITIZING PROGRAM**

Effective immediately we've instructed our staff to increase our frequency for disinfecting and sanitizing all touched surfaces in your facility. (Door Handles, Push Plates, Light Switches, Tables and Chairs etc.)

We recommend that you provide your employees access to disinfecting wipes and hand sanitizing stations to maintain their workstations and/or offices. (Keyboards, Telephones, Computer Monitors etc.)

There will be no extra charge for the additional focus on disinfecting and sanitizing efforts since we are reprioritizing our cleaning duties.

Below are the disinfectant products that we use for cleaning and sanitizing.

Let's all do our part to stay healthy together.

**SC Johnson® Professional Tru Shot™ Restroom Cleaner & Disinfectant**  
*A fast and effective one-step spray and wipe virucide and disinfectant. Effective against a broad spectrum of bacteria and viruses.*

**Commercial CLOROX Clean Up Disinfectant Cleaner with Bleach**  
*Clorox Clean-Up Disinfectant Cleaner with Bleach is a powerful one-step cleaner, disinfectant. Effective against Bacteria, Body Fluid and Viruses.*

## Employees of the Month

Eagle Cleaning recognizes 2 employees a month who go above and beyond. The recipients each receive an Employee of the Month certificate, Eagle Sweatshirt and a \$100 Visa Gift Card!

Congratulations and thank you for your hard work and dedication!  
 Go Team Eagle!
