

**Get your office ready – Employees Safe!**

#1 Disinfect your building prior to the return of Employees. It's important to maintain your daily cleaning schedule.

- Change your physical space to meet “6 foot” guidelines – workstations, conference rooms, cafeterias, waiting rooms, etc..
- Increase online meetings vs. in person
- Provide all employees disinfecting wipes/spray to maintain work area.
- Implement sanitizing stations throughout building's common areas.
