

"The Innovative Cleaning Professional"

Eagle Cleaning began as a small commercial cleaning company back in 2001 with Jeff Johnson, President/CEO as the sole cleaner and 2 clients. Since then we have risen up to over 200 employees and over 100 clients throughout Massachusetts, Rhode Island and Connecticut.

With the help of our excellent team, their enthusiasm, support and dedication we have accomplished so many milestones. We couldn't have done this without them!

To our clients, we especially want to thank you for your business throughout the past 20 years. You have been critical to Eagle's growth and success.

We look forward to working with you in the coming years.
